East Campus Enrichment Clubs 4th Quarter 2020

All clubs are 3:00-4:00. Please register online.

Mondays, March 30-May II

Arts and Crafts Club with Ms. Marlene (Kindergarten and 1st grade)

• Each week, students will have fun creating their own piece of art while making new friends and creating memories. They will learn to add unique materials such as bubbles, shaving cream, and salt to paint. Some major projects will include painting on canvas, marker-painted coasters, and more! Additional supply fee: \$10

Tuesdays, March 24-April 28

American Girl Doll with Mrs. Hubbard (Kindergarten and 1st grade)

• Come join Mrs. Hubbard for American Girl club where we will be making crafts, playing games, laughing, making new friends, enjoying creative play, and learning how God made you AWESOME! Bring any doll that is special to you! You are welcome to bring an afternoon snack.

LEGO Club with Ms. Kristy (Kindergarten and 1st grade)

• Each week, Ms. Kristy will read a story from the Brick Bible For Kids and students will be challenged to try and recreate a scene from the book with Legos. Playing with Legos are a great way to engage in meaningful and joyful conversations. As children comment on their Lego creations, they develop important communication skills including the ability to explain ideas, describe their work, and verbalize processes and challenges.

Wednesdays, March 25-May 6

Girls Sports Club with Ms. Karrie and Ms. Tracie (Pk4, Kinder, and 1st grade)

• PK4, Kindergarten, and 1st grade GIRLS will have fun engaging in physical activity while making friends, developing skills, learning teamwork, and building self-esteem. We will increase overall fitness while learning the fundamental skills of Soccer, Zumba, Golf, Basketball, Volleyball, and Tumbling followed with an afternoon snack. (Minimum of 5 participants.)

Animal Lovers Club with Mrs. Walker (Pk4, Kindergarten, and 1st grade)

• Calling all animal lovers! In this club, we will spend time learning more about God's amazing creatures, playing animal-themed games and activities, creating a project for local shelter animals, and even getting to interact with some furry, feathered, and scaly friends!

Thursdays, March 26-May 7

Joyful Jewelry Club with Ms. Summer and Mrs. Jill (Kindergarten and 1st grades)

• Do you like jewelry or feel inspired to create unique pieces of art? Come unleash your artistic abilities at the Joyful Jewelry Club. In this club we will create beautiful, fun, bright pieces of jewelry while improving our fine motor skills and hand-eye coordination. If you love beads and charms and like working with leather and lacing, you will definitely enjoy the Joyful Jewelry Club. We can't wait to make fun memories with you! Additional supply fee: \$15

Dodgeball with Coach Teufel and Mr. Matt (Kindergarten and 1st grade)

• Duck, dive, throw and take out your opponent in this competitive after school club with Coach Teufel! Students will learn how to compete in a God-honoring way focusing on sportsmanship and fun. Learn the ropes and rules of dodgeball and practice motor skills and good sportsmanship, all while having a blast! Students learn how to cheer each other on, work as a team, anticipate their opponent, and other skills that pertain to other sports.

STEM Food with Mrs. D (Pk4 and Kindergarten)

• Please join Mrs. D as we explore the world STEM Food Fun! Activities will set the platform for our little budding engineers while learning about the importance of nutrition.
