

Dear JCS Family and friends,

We are truly grateful for this opportunity to serve our community in such a time of need. We thank You for reaching out to be a part of this Community Service Outreach Project!

This project has three parts :

1. Pick up materials from JCS on 3/31
2. Make masks
3. Drop off on 4/3 or Mail back

We will then distribute them to our community healthcare & service workers .

It is that easy! You do not even need to sew to make these masks, although we will have sewing machines available for those who need them and prefer to sew 😊

Below will be video tutorials on how to make the masks either way.

We will be handing out the bag with kits to make masks on Tuesday 3/31 in the lower school car line from 3PM to 4PM.

You can then drop the masks off to us on Friday 4/3 in the lower school car line from 3PM to 4PM.

or

Mail them back to :

Jupiter Christian School

700 S Delaware Blvd, Jupiter, FL 33458

Please reach out to Aliza Beaulieu in guidance: abeaulieu@jupiterchristian.org

for your community service hours as this project will apply!

Please see below for the two methods to making the masks:

With a sewing machine:

<https://www.deaconess.com/How-to-make-a-Face-Mask?>

Without a sewing machine:

<http://blog.japanesecreations.com/no-sew-face-mask-with-handkerchief-and-hair-tie>

Thank you again for your support for our community during this time!

Best & blessings,

Chelsea Gunn

Community Outreach Director
