## "Faithful Follower"

December 2020

A "Faithful Follower" understands that when other "things" are more important to us than our relationship with God, those things can keep us from following Him fully. A faithful follower seeks to identify, understand, and discern the values, cultures, times, and patterns of the world that may keep us from following God fully. A faithful follower boldly follows the ways of the Lord.

Romans 12:2 says, "Do not conform to the patterns of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will."
