“Order Discoverer”

An “Order Discoverer” is someone who sees God's fingerprints all over creation by understanding that creation is full of order and patterns, not just randomness. God created order out of chaos; there is purpose in his creation, and we are able to discover this amazing order within creation.

Hebrews 11:3 says, *“By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible.”*

The seal of Jupiter Christian School is a large, circular emblem in the background. It features a central shield with a cross, flanked by two olive branches. The shield is surrounded by a wreath. The outer ring of the seal contains the text "JUPITER CHRISTIAN SCHOOL" at the top and "EST. 1963" at the bottom. The seal is rendered in a light gray color with a pinkish-red outline.
