## "Order Discoverer"

March 2021

An "Order Discoverer" is someone who sees God's fingerprints all over creation by understanding that creation is full of order and patterns, not just randomness. God created order out of chaos; there is purpose in his creation, and we are able to discover this amazing order within creation.

Hebrews 11:3 says, "By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible."
