

## JUPITER CHRISTIAN SCHOOL

**Linda Berger** has served at JCS since 2001. She has taught 5th and 6th grade math as well as 2nd grade. Over the years, Mrs. Berger has prepared many students for the Math Olympics as well as helped students gain confidence in their math abilities. Linda shares, "I am pursuing a different path in my career. I wish to continue to assist children in their math skills through tutoring."

**Brenda Eve** will be retiring this year. She shares, "With much prayer and the counsel of my husband, I am retiring from teaching from JCS at the end of the school year. I will greatly miss the middle school students! I have worked with this great group of kids for over 35 years and have been so blessed by it! I will continue to pray for the administration, teachers, students and staff." We are thankful for Mrs. Eve and the legacy she will leave here at JCS as a beloved Middle School Science teacher and Community Service Club sponsor.

When we were faced with an early departure at the beginning of the year, **Rick Lockwood** came out of retirement to fill a need. We are grateful for his willingness to serve and blessed by his positive attitude and Godly character. We will continue to pray for Mr. Lockwood and his wife Shelly as they continue to enjoy retirement together.

**Senora Yuri Canon** has served at JCS since 2005 teaching Spanish in our Lower School. Yuri writes, "After much thought and prayer, I have decided to return to the mental health counseling field. I am very thankful to God for the friendships developed and the many memories created. JCS will always be special to our family." We pray for God's continued blessings as Yuri continues to serve to Him in her days ahead.

**Megan Nichol:** We are grateful for her service and celebrate with her as she will remain at home with her precious daughter. Megan shares, "JCS has truly become family over the past 6 years. My husband and I feel so grateful to have been part of this community who supports and prays for us through every season. As difficult as it is, I've decided to take a step back and spend more time at home with my daughter. These are years we will never get back and I'm realizing just how precious they are! This isn't goodbye, it's just a Cya later!"

**Terri Fleming:** We are grateful to Terri for her years of service and commitment to JCS since joining the team in 2001. We are excited for Terri as she moves on to the next season of her life and pray for God's continued blessings.

**Cara Collins** has shared some exciting news about her growing family. Cara has served faithfully at JCS in a variety of capacities, most recently in 3rd grade. Cara shares, "JCS truly holds a special place in my heart. I have grown up here - from observation hours with Jeanie Beirnes, student teaching with Donna Bartz, substituting, and then joining the third-grade team in 2017. My husband and I are expecting our first child in July, and I am looking forward to staying home with her. I will miss my JCS family, but this is not 'goodbye', it's a 'see you again soon!'" We rejoice with Cara and her husband, Brandon!

**Krisse Banas** will be moving on this summer as well. She shares, “I’m excited to say I’m moving to Bentonville, Arkansas. This is a growth opportunity for me. Jupiter Christian School has been a part of my life for 25 years as both a student and a faculty member. It has been a distinct privilege to work with such a wonderful community of believers. I will truly miss every one of you. The spiritual and familial support from my JCS family is unparalleled. I know I’ll miss the kids more than they can understand but I do look forward to whatever God has in store for my future. Please stay in touch. Much Love.”

**Johannah Hill:** “As fellow faculty and staff, I’m writing to let you know that my time at Jupiter Christian School is coming to an end, and I will not be returning next year. I’m not sure what the future holds, but I do know that God has a plan, and it will be for His glory and my good. I look forward to being able to join my husband in more ministry opportunities at the church we love, and I’m sure I’ll continue to stay involved in education in some way. I have so enjoyed working with so many of you!”

**David Muller:** “I cannot thank you and the JCS administration enough for the 2 and 1/2 years that I have served here. During my time at JCS, I have been surrounded with spiritual mentors, teaching mentors, and many dear friends. I have been greatly blessed and enriched by my time teaching and coaching at JCS, and it is not a position I depart from with ease.”
