

Summer eLearning Enrichment 2020/21 Grades 2 - 6

During the summer months, please continue working on your child's skills. Below are some helpful tips.

(In 3rd, 4th and 5th grade, continue to practice and maintain mastery of multiplication facts 1-12.)

- 1) www.IXL.com - *Current* JCS Lower School students can log into the website with **their** JCS login and password. i.e. - johnsmith@jcs and password john. This includes all subject areas (English, Math, History, etc.) ☺
- 2) www.BrainPop.com - Log in to BrainPop for math and other critical thinking skills. *Current* JCS Lower School students can log into the website with **their** JCS login and password. i.e. - johnsmith and password eagles1.
- 3) www.TypingPal.com - Log in to TypingPal for typing and other critical thinking skills. *Current* JCS Lower School students can log into the website with **their** JCS login and password. i.e. - jcsjohn (jcsfirstname) and password eagles1.
- 4) www.tumblebooklibrary.com - Anyone can log in to our book collection with a JCS login and password. The username is JCSeagles and the password is trial.
- 5) Enjoy the outdoors!
